

Veterans Assistance Dogs of Texas, Inc.

South Central Chapter
American Coach Association

Dear Trustees,

Please thank all of those that donated towards our cause at VADogs. This donation helps us to rescue the dogs we need to help our veterans that have served this great country of ours. And thanks for the beautiful plaque which is hanging proudly in our office. Thanks for the wonderful presentation and many thanks to all of y'all that put your heart and soul into this.

We found another dog yesterday which our trainers in the process of evaluating to see if it can become a service dog. We are always hopeful it will, however, if it doesn't make the grade we put it up for adoption and we look for veteran families that are wanting a dog.

Sincerely,

Handwritten signature of Larry Pottridge in black ink.
